TEAM MANAGERS please note: It is VERY IMPORTANT that you respond to our Team Photo Proofing email when it is sent in the weeks after the tournament to help ensure all details are correct on your team's photo. All team photos and portraits will be delivered to your association approximately 10 business days after proofing is completed for ALL teams.

Please Note: All Team and Portrait photo orders must be paid for in cash at the time of your team photo. It is best to collect this in advance and have it ready prior to the team photo on the day. To save yourself time (and not have to fill out this sheet by hand prior to the team photo) please turn up for your team photo 10 minutes before your time slot, with the correct cash and this sheet *completely filled out*, clearly indicating which options apply to which players and how many copies of each photo size for each person. A minimum order of \$100 applies for each team.

Team Photo Packages are:-

Package 1. One 8"by12" Team photo \$22.

Package 2. Package 1 plus One 5" by 7.5" Player Portrait \$27.
